Mr. Steve Longo,  
Executive Director  
Albany Housing Authority  
200 South Pearl Street  
Albany, NY 12202

Dear Steve;

Let me begin by saying Thank You. On behalf of the South End Neighborhood Association (SENA), Mansions Neighborhood Association and the National Night Out Committee, we want to say thanks to you and the Albany Housing Authority (AHA) for your continued support and participation in the South End community and the National Night Out event

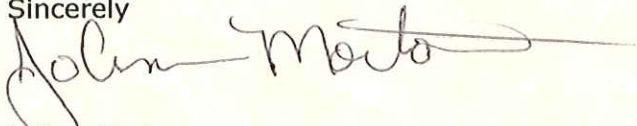

The National Night Out event was a great success again this year, members of the community came out to enjoy a wonderful evening filled with information pertaining to health, transportation, history in addition to entertainment, food, and great weather.

This was the third year that the South End Neighborhood Association and Mansion Neighborhood Association have organized the National Night Out event in the South End. For each year that we have organized the event we have seen the numbers nearly double. This year we planned for six hundred people attending the event, although we do not have an official count I think we met or exceeded our goal.

Many thanks to you and the Albany Housing Authority for your continued contributions of staff resources and finances as you helped to make this yet another positive memorable event in the South End Community.

Please don't hesitate to contact SENA members or me if we can be of service to you as we work towards a common goal of building a stronger community where everyone will be proud to say that the South End is their community of choice.

Sincerely

JoAnn Morton  
South End Neighborhood Association, President

P.S. Give my regards to all the folks: Chiquita, Mike D. and the staff who assisted with setup and cleanup, as they played a major role in making this event a success.
