FAQ's for Volunteering Afterschool at the South End Children's Cafe

Where comfortable, appropriate clothing for being a role model to children.

Can children and youth volunteer?

Absolutely! Middle and High School youth interested in volunteering are encouraged to join us for homework help, tutoring, projects and more.

What should I bring?

You do not have to bring anything.

What hours would I volunteer?

We would like volunteers to commit to one day a week, Monday – Friday, from 3:00pm – 6:00pm so that the children have consistency. However, if you have scheduling conflicts or community service restrictions, do not hesitate to let us know. We can be flexible!

Will I stay for dinner?

We hope you join us at 5:00pm for dinner, as this will be a nice continuation of building a relationship with the child you are helping with homework and tutoring.

Do I have to attend the monthly volunteer orientation to volunteer?

Yes. We will host a volunteer orientation every month and volunteers must attend an orientation before they can start volunteering. Students volunteering for a school sanctioned community service program may be oriented on site on the day they start volunteering (however you are invited to attend the monthly orientation as well).

Is there anything you need else that I can help with?

We will always need fresh produce, meat and milk, so if anyone would like to donate a gift card to a local grocer that would be awesome! We are always looking for people to host a food drive.
