YNG

YNG (Young Noble Gentlemen) is comprised of one R&B singer (Lee Reh, age 15) and one Hip Hop artist (Rahmene McDuffie, age 14). Two different worlds never meant to meet; if not for the music. Lee Reh, the passionate vocalist whose voice was birthed in the confines of a refugee camp. And Rahmene,

the lyrical rhythmist whose voice carried the struggle of growing up black in America. The moment Lee Reh and Rahmene met, it was clear their destinies were intertwined. Fighting against the odds, they formed YNG a group dedicated to sharing their message of resilience through music.
