# Story Walk®

read as you stroll around Albany

APL has partnered with several community and city organizations, and the Upper Hudson Library System, to bring StoryWalks® to Albany neighborhoods!

A StoryWalk® is a way for families with young children to enjoy reading stories while outdoors.

Pages from picture books are laminated and attached to wooden stakes that are posted at regular intervals along an outdoor walking path or sidewalk. As families stroll, they stop and read pages of the story.

Albany Public Library's StoryWalks® will be up through September 2020.
