

# Get in line to be vaccinated for COVID-19!

THE SOUTH END NEIGHBORHOOD ASSOCIATION, AVILLAGE, ALBANY COLLEGE OF PHARMACY AND HEALTH SCIENCES, LINCOLN PHARMACY, & OTHER SOUTH END GROUPS ARE BUILDING THIS LIST TO PROVIDE VACCINES TO THE MOST VULNERABLE WHO HAVE THE MOST DIFFICULTY GETTING VACCINES.

To join the list, either sign up online at: <https://is.gd/vaxlist>

OR call the AVillage Office at 518.451.9849.

Leave a message with your name, phone numbers, address, and date of birth. A volunteer will call or text you to confirm you have been on the list or complete your information.

We are collecting names of people 65 and over. People with underlying illnesses are also welcome to give their name and we will try to connect you with a vaccination clinic.

APPOINTMENTS WILL BE SCHEDULED  
WHEN VACCINE DOSES BECOME AVAILABLE

A volunteer will call or text you with an appointment - date, time, & location.

## CLINICS ARE BY APPOINTMENT ONLY.

Vaccines will be administered by a trained health professional. After getting the shot, you will be asked to wait a few minutes to make sure there are no reactions.

There will be an opportunity to ask questions at the clinic. At the site, you will be given an appointment for your second shot at the same location. You will be asked to confirm you can come back on that date.

Joining this list is not a guarantee of a vaccination -
